Dear Mr. Jones:

On August 18th. 2007, I sent you an e-mail informing you that the session of the church had decided to award the G. S. Jones Company the bid to restore our fire and water damaged church. I am quite pleased to say that our trust in you and your company was not misplaced. We are delighted with the work that you have done for us. Our sanctuary is beautiful. We have received many compliments on the beautiful staircase to the loft that was designed by Joe Dicks, not the architects we had hired. It was a real pleasure working with Lee Ralph and Steve Zeppelin on this project. I / we are truly impressed with the pride and dedication of Joe Dicks and his crew. Cindy, Kurt, Doug, & Jacob. David did a great job on the gold accent paint on the ceiling and all the other painting he had to do. Despite the setbacks, ( and there are always unexpected glitches ) that we encountered i.e. building inspectors, architects, the basement floor, sewer drains etc. the work continued. Although it took a little longer than we had anticipated, the church was indeed usable for the wedding that took place on April 12th. as promised, and for our grand reopening celebration on the 26th and 27th. It is great to be back home in our church again. Thank you very much for a job well done.

Sincerely

Ken Kehm

Elder & Chairman of the Restoration Committee.
