

May 21, 2010

Dear Paul & Don,

I just want to thank you both and also all the workers who made my house so beautiful! I'm so excited it's like being in a new place.

I'm enclosing a check to pay off my account. and if I ever need your services I will certainly call your company and refer my friends to you.

I very much appreciate all the kindness that was shown to me from everyone.

Sincerely  
Pat
