Dear G.S. Jones,

On behalf of my daughter, Kadie Godwin, and myself, I wanted to thank your entire crew for the excellent job of the restoration of my daughter's home in McDonald, PA. I would like to name Mike Travers, Paul Plubell, L&S Contracting, and Mark Wagner (electrician) for their personal and professional assistance. They were attentive to our input and sensitive to our emotions with our disaster, no matter the magnitude. We found your web site a wonderful tool for communicating.

I would definitely request and recommend G.S. Jones for any restoration project.

Sincerely,

A handwritten signature in cursive script that reads "Denise Godwin-Hanna".
