

This is a note of appreciation for the superior restoration job that was done to our home. With so much of the local area having received storm damage we were fortunate to have GS Jones promptly respond and take appropriate action saving us from further damage. Lee did a thorough assessment of the action needed and quickly had his team implement. A special thank you to the crew that was sent to our home particularly John Henry, Jamie, and Christian who showed exemplary work ethics and conscientious attention to detail. Jim from the Wallpaper subcontractor also did a great job. Bev and Jim Hollowood - Moon Twp PA
