G.S. JONES
8347 OHIO RIVER BLVD.
PITTSBURGH, PA 15202

Gentlemen:

I am writing to express my gratitude for the performance of your subcontractor, L.S. Renovations. As someone that has renovated an 1884 farmhouse, I am too aware of the difficulty in finding someone that does quality work when they say they will do it.

The owner of L.S. Renovations, Mr. Louis J. Spadaro, was prompt and as professional as any one I have dealt with. His crew mirrored him in every way. They were on the job early in the morning and worked late into the night to replace my barn roof before we experienced any bad weather. When they finished and left the site, it was cleaner than I had ever seen it and the only way you knew anyone was there was to look at the phenomenal job they had done in replacing a roof on a 124 year old structure.

As a result of them, I tell every body that needs any work done that both L.S. Renovations and G.S. Jones are unbeatable in their respective industries.

My thanks to all of you.

Sincerely,
