Dear Mr. Bair:

We could not have been more pleased with the overall quality of workmanship and professionalism that G.S. Jones displayed when completing the repairs on our home. We recently had substantial water damage that involved replacement of wallpaper, removal of insulation, plaster repair, and rug cleaning. A situation that was viewed as a nightmare to us was a routine job for G.S. Jones. Their staff was very knowledgeable and always available to answer our questions or concerns.

If you want a quality job done in a timely fashion with professionals who pay attention to every detail, then G.S. Jones is your best choice for a restoration company. They honestly deserve a 5 Star Rating. Thanks, G.S. Jones. We are forever grateful.

Sincerely,

Tom and Elaine Kristan
