Dear Mr. Rohal:

I want to let you know how pleased I am with your company's work on repairing my basement after it was damaged by a leaking pipe. Your employees were very professional, and I appreciate the considerable effort they expended to exactly match the stain of the existing paneling in the basement. I also appreciate their willingness to accomodate my work schedule by beginning at 1pm each day.

The work was beautifully executed, and they were finished quickly.

My only regret is that you don't do general contracting: I'd gladly hire you to make improvements to the rest of the house!

Sincerely,
