Dear Mr. Jones:

We had to have an extensive remodel on our Penn Hills, Pennsylvania home done by G.S. Jones & Sons in early 2008. We were very pleased with the efficiency care and consideration taken to ensure the highest quality workmanship in every phase of our restoration. We were out of state during most of the project and Jeremy was especially helpful with updates and communication.

We would recommend G.S. Jones & Sons to anyone for disaster restoration, new construction, or remodel work.

Thank you,
